Dear Sir,

The College of Insurance was established in the year 1966 as training arm of the Insurance Institute of India. The college conducts various training programmes catering to the needs of insurance personnel at different levels.

The College of Insurance, which is run by Insurance Institute of India, has recently shifted to its own campus at Bandra-Kurla Complex in Mumbai. This is the oldest institution in India to impart insurance education and training. During its journey of over four decades college has trained many executives in India and in Afro Asian region. College has already a niche player in Insurance training and it aspires to take insurance education and training to its new peak and become icon in this field.
